

**We are looking** YOUR STRENGTHS AS A

# **Deputy Production Manager (m/f/d) full-time**

**Production | Measurement technology | Planning | Reporting**

Härer Formenbau GmbH stands for precision and state-of-the-art manufacturing in tool and mold making. To strengthen our team, we are looking for a deputy production manager (m/f/d) with a hands-on mentality and strong organizational skills.

## **Tasks**

- Supporting production on 5-axis milling machines and EDM machines
- Providing technical support to employees in mechanical production and assembly
- Performing and evaluating measurements with GOM measurement technology
- Creating and maintaining project schedules for each order
- Order and progress reporting to customers
- Monitoring deadlines, capacities, and bottlenecks
- Coordinating adjacent areas (goods receipt, final inspections)
- Creating monthly reports for management

## **Profile**

- Technical training (e.g., machining/tool mechanic) + experience in manufacturing
- Knowledge of milling/erosion technology and ideally GOM measurement technology
- Structured, solution-oriented approach to work
- Strong communication skills and ability to work in a team

## **We offer**

- Modern machinery and exciting projects
- Flat hierarchies and short decision-making processes
- Development prospects
- A secure job and performance-based remuneration

**Please send your application by email to:**
